TAKE ADVANTAGE OF OUR RESOURCES!

OUR PROMISE

In partnership with our community, the EAHS Foundation changes lives. We will continue to inspire our students to dream big by exposing them to experiences and opportunities that they would not otherwise have. We will provide resources and extra support to help them plan their future. Lastly, we will continue to work hard to provide the resources and support systems necessary to achieve their goals.

OUR MISSION

Rooted in equity, we collaborate with our community to provide enriching opportunities that inspire, guide, and empower students to achieve their goals.

OUR VISION

With community, our students move what feels impossible to 'I am Possible'.

Jazmín Gudiño | Class 2011 | University of California Berkeley

“As a first generation college student, the scholarship and guidance I received through the Foundation has been instrumental to my success in higher education. It has fueled my achievements at Cal Berkeley, where I’ve earned a 4.0 GPA, and has bolstered my sense of belonging in academia.”

Gabe Albavera | Elsie Allen High School Principal

“The EAHS family is eternally grateful to the Foundation for their generous commitment to our students and investing in our community. It is a privilege to work with them, and have them be part of our village. Take advantage of their resources, today!”
